Hermes Trismegistus Thoth Poimandres. However, the 17th century scholar Ralph Cudworth argued that Casaubon's allegation of forgery could only be applied to three of the seventeen treatises contained within the Corpus Hermeticum. Local Book Search.

Through all his varied representations in folklore, art, and literature, the One can see from this that he has the gift of bringing souls back from Hades to the land of the living in this case, by means of a pomade of resurrection. Hermes- the fascinating mercurial messenger of the gods eloquent revealer of hidden wisdom and guardian of occult knowledge- has played a central role in the development of esotericism in the West. Here we will mention only the existence of a Trismegistus by Manos Finiguerra or, rather, by his disciple Bacchio Baldini circa in the Florentine Picture Chronicle of the British Museum.
